

## A BACTERIA AND VIRUS QUIZ

By Peter Hughes, Cresskill High School, Cresskill, NJ

Student's Name:

List the bacteria or virus and tell me about each. You must do 6 viruses and 6 bacteria

Virus	Bacteria
1.	1.
2.	2.
3.	3.
4.	4.
5.	5.
6.	6.

Please list differences between viruses and bacteria. How can each be prevented or cured? What are their structural differences? What is their relative size? What kingdoms of life do they belong to? Anything else you can think of?
